CAREER OBJECTIVES

As a Computer Science Engineering student at Adarsh Institute of Technology and Research Center, Vita. I have developed skills in web development using HTML, CSS, JavaScript, React, and Firebase, along with programming knowledge in Core Java and Python. I also have knowledge of SQL, database management, and backend development. Through internships and projects, I have gained practical experience in building responsive and dynamic applications. I am seeking an opportunity in a reputed organization where I can apply my technical knowledge, enhance my skills, and contribute to innovative projects.

EDUCATION

BTech (Computer Science and Engineering) 2023 – 2027
Dr. Babasaheb Ambedkar University, Lonere

Kolhapur Board, Kolhapur – HSC 2022 – 2023
Balwant College, Vita.

Central Board of Secondary Education -SSC 2020 – 2021
Jnanasagara International Public School.

SKILLS

Programming Languages.
Python

Technologies

- **Frontend**: HTML, CSS, JavaScript, React.js
- **Backend**: Python, Firebase
- **Database**: SQL, Firebase Realtime Database
- **Tools**: Git, GitHub, VS Code

PROJECTS

1. E-Blood Bank Management System
Developed a web application using HTML, CSS, JavaScript, React.js, and Firebase to manage blood donor details and blood requests efficiently. Implemented features to store and manage donor information and hospital blood requests.

2. Customer Issue Classification System
Developed a Python-based system to classify customer complaints into categories such as payment, delivery, refunds, and product returns. Used Python libraries such as Pandas, NumPy, and Scikit-learn for data analysis and complaint classification.

3. College Management System

- Developed an E-Blood Bank System using HTML, CSS, JavaScript, React.js, and Firebase to manage donor details and blood requests.
- Implemented features to store donor information and manage hospital blood requests efficiently.

CERTIFICATES

- Web Developer — Infoyashonand Technology Pvt. Ltd.
- Cloud Computing Foundation-Google Cloud
- Gen-AI- Outskill
- SQL Database Management System-Infosys Springboard
- HTML and CSS-IBM(Scrimba)
